

**WINDSTER™**

*Professionally Designed Range Hoods*

2012

# Company profile

Established in 2003, Windster Hoods has been providing a new level of value and innovation in the range hood industry. Windster Hoods has an unique ability to design and manufacture range hoods that are safe, easy to operate, and yet powerful. Our super performance range hoods are approved by the C.S.A. standards of the United States and Canada.

To provide our customers with smoke-free environments and professionally designed kitchens, we truly devote ourselves to high-tech craftsmanship and art design. Let Windster not only be part of your kitchen, but also part of your life. Cook and enjoy.
